

Join us at the World Bank Spring Meetings!

Wednesday, April 18th, 2018, from 11:00 am – 12:30 pm Room I 2 - 250
CIEL will join partners to share experiences and lessons learned,
at the Civil Society Policy Forum.

Open, Transparent and Inclusive: How Information Disclosure Can Lead to Meaningful Stakeholder Engagement

Our session will explore the links between information disclosure and stakeholder engagement. It will show how project-affected people from Latin America and Asia engaged in development projects. By examining how transparency, openness, and inclusiveness are fundamental to meaningful engagement, it will provide lessons and insight on good practice at DFIs.

Partners:

Fundar, Centro de Análisis e Investigación, Mexico
Information and Resource Centre for the Deprived Urban Communities, India
International Accountability Project
